Nomination Papers Are Filed By 30 Candidates

Last Lot of Nomination Papers Filed with Town Clerk As Deadline Arrives—Contests for Board of Selectmen, Public Works, Assessors, Moderator and School Committee Assured

The legal period for filing nomination papers for major town offices closed at 5 o'clock yesterday afternoon with thirty candidates seeking various offices.

Town clerk Earl A. Ryder was flooded with nomination papers, especially during the last few days, each candidate filing papers containing as many as two thousand signatures of registered voters. To get his name on the ballot at the annual town election March 4, each candidate must have at least 535 signatures. Consequently the town clerk and board of registrars must check all nomination papers filed. Since each candidate has filed far more than the

required number of signatures, it is practically certain that all who have filed will find their names on the ballot, unless they choose to withdraw their name before 5 o'clock today.

When the deadline for filing arrived, it was definitely known that at least three present officer holders whose terms expire in March, will not seek re-election. On the other hand, several interesting contests are assured, notably for the board of selectmen, public works, assessors, school committee and moderator. The closest contests promise to be those for the two places on the board of assessors with strong candidates

Boys' Club Sets Dates For Fair

The Arlington Boys' club this week set the dates for two important events, the first, is February 23 when the second annual sports night sponsored by the club will be held, at the George H. Lowe, Jr. Memorial auditorium in the senior high school. A large crowd enjoyed a similar program last year when the club presented an attractive card of boxing and wrestling matches. Another strong card is being prepared for this year's sports night with a professional exhibition being arranged to strengthen the amateur program.

The second big event will be the annual Street Fair sponsored by the club. This will be held on Friday and Saturday, June 7 and 8. Last year's Street Fair drew such a large crowd and boasted of so many features that the officers of the club have decided to give this year's affair two days instead of one.

Paul A. Anderson, general chairman of last year's successful fair, will again head the large committee for the 1940 fair.

RING SCHOOL OF NURSING HOLDS CAPPING EXERCISES

Capping exercises were conducted at the Ring School of Psychiatric Nursing in the assembly hall of the Ring Sanatorium, on Monday evening, when the following students, having completed the probationary period of three months, were formally accepted into the school: Sophie Langer, Mary Mahoney, Mary Katherine Regan, Marjorie O'Neil, Grace Roche, Ora Chara Lupien, Florence Garney and Jacqueline Lamphere.

The candle lighting ceremony was witnessed by parents and friends of the students and was carried out by the senior students under the direction of Miss Bernice L. Wiggins, director of the school.

ss Bernice Bourgeois led the procession. Caps were awarded by Miss Wiggins assisted by Miss Gloria Curran, following a brief address by Dr. Prout.

Miss Jeannette Loring was mistress of ceremonies. The board of directors who welcomed the students into the school was represented by Miss Bernice L. Wiggins, Hallam T. Ring, Dr. Curtis T. Prout, Miss Penelope MacKay, Mrs. Emma Silcox and Miss Mary M. O'Connor. Following the exercises refreshments were served by the student committee. Miss Dorothy Keith and Miss Olive Holmes, of the alumnae were the hostesses.

Dist. Atty. Bradford Cites Year's Accomplishments

In a letter to the publisher of the NEWS, District Attorney Robert F. Bradford reviews accomplishments of his office during the past year. Figures given by the District Attorney, should be of interest to every citizen. His letter follows:

January 24, 1940.

Mr. Arthur J. Mansfield, 3 Valley Road, Arlington, Mass.

Dear Mr. Mansfield:

You generously participated in the 1939 campaign to "clean house" in the Middlesex District Attorney's office. For this reason I think you may be interested in knowing what has been accomplished in that direction in the first year since I took office. The complete figures have just been made available to me and I submit them to you with some pride.

In 1939, my office disposed of 2125 cases. Of these 1774, or 84 per cent, resulted in convictions. This total includes cases of all types. Whether coming into the Superior Court through appeals from the lower courts or through indictments. During the past year every issue was met squarely in open court as it presented itself. The power to not proceed was used to dispose of only 7 cases. Three hundred sixty-one cases were not pressed in 1939.

In 1938 the then District Attorney's department obtained a budget appropriation of \$215,000 and expended in that year \$187,000. (The average cost per year from 1929-1938 was \$203,111.13). In 1939 I requested and received an appropriation \$25,000 less than the appropriation for 1938. Our total expenditures for 1939 have amounted to \$157,000, a saving of \$30,000 over the expenditures of 1938. I can also report with satisfaction that this office has functioned with five assistants instead of six, resulting in the additional saving to the Commonwealth of the extra salary, \$4,000.

My reason for sending you these statistics is not from any sense of personal achievement. With the whole-hearted cooperation of the police and the courts, with the help of State Detectives, with able assistance and conscientious juries, the job done deserves no personal commendation. I do derive much gratification from the results.

Arlington High Wins Two Tilts

By BILL DALE

Running their victory streak to three straight, the smooth passing Arlington High School basketball team rolled over Cambridge Latin, 34-20.

The win gave Arlington sole possession of third place in the Suburban League. The first half was rather slow until Cambridge took the lead by virtue of three quick baskets by Bulger, their star guard. Arlington came back and Glennon dropped in two baskets making the score 11-10 as the half ended. It was a different picture in the third period as the home team clicked for fourteen points while Cambridge could only get a lonely foul shot.

Staging a brief rally, as Bulger collected three more baskets, Cambridge drew close 24-18, but Arlington moved ahead on scores by Glennon, Cotte, and Isner.

A fighting Arlington five reversed an early season loss by defeating Brookline High 32-28 in the latter's gym last Friday.

The game was closely fought during all stages with not more than four points difference in score at any time. The final period marked Brookline's downfall as Captain Glennon scored seven valuable points. The prize fluke of the basketball year took place in the second period when referee Kelleher ruled that Arlington's "Cud" Tobin had scored for Brookline in his attempt to bat the ball away. Arlington goes to Newton today.

Special Committee Is Named to Administer Salvation Army Fund

A special committee has been appointed to administer the local relief fund for the Salvation Army. The committee comprises Arthur J. Mansfield, chairman; Edward C. Hildreth, treasurer; and Miss Doris Allen, representing the school department.

During the recent campaign of the Salvation Army, over \$1,600 was raised in Arlington, representing the largest amount secured for many years. Twenty percent of the amount raised in Arlington will be locally administered. The local fund, may be used for clothing and shoes for needy children, fuel for needy families, Christmas food orders, groceries, milk for undernourished children, medical supplies, etc.

The Arlington Lions Club has unanimously agreed to accept the invitation of the Medford Lions to dine with them in the near future, at which time the official American League baseball picture will be shown.

Taxpayers' Association Fears \$4 Tax Increase

Executive Secretary Lists Budget Requirements of Various Town Departments—Calls upon Finance Committee to Keep Expenses Down—Believes Present Real Estate Tax Load Already Too Heavy

The Town of Arlington faces an increase of four dollars in its present tax rate if the Finance Committee and the town meeting members approve the 1940 budgets submitted by the various town departments, according to G. Bertram Washburn, executive secretary of the Arlington Taxpayers' association.

In issuing a warning regarding a possible four dollar jump, the Taxpayers' association through its executive secretary, produced a lengthy list of figures which are supposed to have been submitted to the finance committee by various town departments. The figures, according to Mr. Washburn, are the items of departmental expenses only and do not include any other items which would come under special articles of the warrant.

Commenting upon the budget requests, the Taxpayers' association (Continued on last page)

ARLINGTON FINNISH RELIEF COMMITTEE MEETS FEB. 7

Arthur J. Mansfield, chairman of the Arlington Finnish Relief committee, addressed a letter this week to leading organizations of the community, urging them to lend their support to the program launched by Arlington post 1775 Veterans of Foreign Wars, to raise funds locally for the relief of suffering in war torn Finland.

Mr. Mansfield called attention to another meeting of the committee next Wednesday evening in the hearing room of the Robbins town hall at 8 o'clock. All organizations have been requested to send a representative to this meeting to discuss further plans.

In the meantime plans for the Finnish relief concert on Washington's Birthday evening are well underway according to J. Wilbert Anderson, chairman of the program committee. Arrangements for the Community Symphony orchestra and Chorus under the leadership of (Continued on Page Six)

Arlington Royals Out For 6th Straight Win

Few people seem to realize that Arlington possesses a basketball team which is burning up some of the best opposition that Greater Boston has to offer. For the past five Saturday night, the Arlington Royals, playing great basketball, have edged such aggregations as St. Alphonsus, the Cambridge Vandals, St. Mary's of Cambridge, the Winthrop Varsity Club, and the Hood Rubber Company. The game between St. Alphonsus, one of the best Boston teams, and the Royals provided one of the most thrilling spectacles ever witnessed in the High School gym.

Last Saturday, at the High School, the Royals nosed out St. Mary's of Cambridge in a really exciting game. By scoring three baskets in the last three minutes of play, Arlington received the verdict at the final whistle by a count of 39 to 33. The Superior shooting of "Twink" Glennon, John Cashman and Charlie Lowdy, or supplied the margin of victory. The line-up has been strengthened by the addition of Dan Casey and Bill Whitney, youthful star whose speedy play and spirit have given his team a real spark. Grady Lionetta is back in form and displaying his old speed and finesse.

Saturday at 8:15 p. m. in the High School gym, the Royals will battle the Newton City Club, a team which has kept the backboards hot with a remarkable winning streak which the locals hope to interrupt. The Royals Junior Varsity, at 7:30 p. m., will engage the Quincy A. C. in a game which should prove to be a thriller. Incidentally, the Royals' management has announced that Saturday night is Ladies' Night, which means (if you are interested, boys) that all escorted ladies will be admitted free of charge.

Local Youth Is Elected Captain of Basketball Quintet at N. H. Academy

James "Mush" Corbett, former Arlington high school athlete, at present a student at Austin-Cate academy, New Hampshire, has been unanimously elected captain of the basketball team at the academy.

Corbett played football for Arlington High and was the mainstay of the Red and Gray basketballers for three consecutive years. Besides being captain of the Arlington quintet, Corbett was selected for all-scholastic honors. He starred as a passing quarterback at Austin-Cate and established a new record for completed passes in New Hampshire prep circles.

To date, he has been the high scorer for the Green and White basketballers while his team has won six games and lost but one. Besides being an active athlete in school, Corbett is president of the school paper.

G. Raymond Drew Elected Head of Business Club

G. Raymond Drew, of 16 Benjamin road, was elected president of the Young Men's Business Club of Boston at a meeting in the Boston Chamber of Commerce building on Friday evening.

Mr. Drew has been employed by the New England Telephone & Telegraph company for the last four years and is a graduate of Somerville High school, class of 1935; and Suffolk University Law School, class of 1939.

Honored on Completing Twenty Years' Service

William P. Doherty of 204 Spring avenue, Arlington Heights, was tendered a dinner and pin at the Kenmore hotel recently in honor of his twenty years' service with the Goodrich Rubber company. All of the personnel of the Commonwealth avenue office of the Goodrich company attended the testimonial.

Mr. Doherty has lived in Arlington ten years. He holds a law degree from Suffolk University. He is married to a former war nurse of the World War and has four children, Patricia, a student at Simmons; Jeanne, of Arlington High school; and Phil and Bill of the Brackett school.

Citizens' Committee Asks Candidates to Submit Qualifications

One of the most important meetings of the year was held by the Citizens' Committee when the organization met to elect the all important qualification committee.

The committee issued the following statement this week: "One could easily see that the members had given much time and consideration to the make-up of this group. After all, the success of this non-partisan Citizens' Committee depends, to a great extent, upon the fair, honest good judgment, this Committee shows in its endorsement of the qualified candidates. Therefore, it is with much pride that the Citizens' Committee presents this group of people, who will be called upon, to give so generously of their time and effort. They are Robert L. Moore, chairman; William C. Adams, Paul Ziegler, Harry Baker and Herbert Alderson.

"All candidates, who wish to be considered, must submit their written qualifications to Chairman Robert L. Moore, on or before 12 o'clock noon, February 4."

"The committee would like to thank Assessor Guy Edwards for his thoughtfulness and consideration. Chairman Milton Estabrook received a letter from Mr. Edwards informing the committee that due to the growth of his business and the time he must devote to its management, he will be unable to serve the Town in the capacity of Assessor, at this time. Mr. Edwards has served the Town well in a very trying period. Mr. Edwards shows that he has the interest of the Town at heart, by announcing his retirement, because he feels that he will be unable to devote sufficient time to the performance of this trust.

"Year by year, the Citizens' Committee is growing. Every year the people of Arlington are helping to make our Town as clean, honest and highly efficient as possible, by electing the Qualified Candidates.

"In order to endorse the most qualified public official, all candidates are sincerely requested to submit their written qualifications to Robert L. Moore, chairman of the qualification committee, not later than 12 o'clock noon, February 4."

Founders Day Meeting Planned by Locke PTA

The February meeting of the Locke P. T. A. will be held in the school auditorium at 3 p. m. next Thursday. This will mark the 43rd anniversary of the organization. A short historic paper will be read by Mrs. Carl F. Ockerbloom, vice-president.

The principal speaker will be Mrs. Raymond E. Shephard, president of the Arlington Council who will speak on "Our Children and the Movies."

WHY ARLINGTON SHOULD GIVE

Thousands of soliciting volunteers in Arlington and throughout the 550-square-mile metropolitan area set forth last week in a united effort to oversubscribe the 1940 goal of \$4,625,000, the minimum needed to enable the more than 175 hospitals, health and social service agencies in Greater Boston's Community Fund to continue their vital services the coming year.

In Arlington every local solicitor is working with a will to do credit to his community, under the leadership of Arthur P. Wyman, Arlington chairman.

R. Ami Cutter, chairman of the Metropolitan Division, when asked for the principal reasons for contributions to Greater Boston's Community Fund by the people of Arlington, cited six points:

"First: Community Fund agencies, particularly the hospitals and health units, give year-round service to the people of Arlington.

"Second: Having these agencies available is a form of insurance protection to the people of every metropolitan community, providing as they do, in many instances, specialized facilities not locally at hand.

"Third: Disease and crime are not confined by city limits. The families living in the metropolitan area are vitally interested in seeing that menaces arising in congested areas close to the State House do not threaten the welfare of any part of the area.

"Fourth: Research and discoveries in Community Fund hospitals, such as the liver cure for pernicious anaemia and the iron lung for infantile paralysis, mean saving of lives over the whole metropolitan area.

"Fifth: The fact that many people in Arlington earn their living in Boston, or have lived in Boston, or have close associations there, implies some obligation on their part to help bear some of the responsibilities of meeting the social problems created in its congested areas.

"Sixth: Everyone has a natural desire to be a better neighbor and to help relieve human suffering and despair."

These, certainly, are sufficient reasons why Arlington should do its part.

Throughout the 46 cities and towns of the metropolitan area, Greater Boston's Community Fund is on the last lap of its great drive to oversubscribe \$4,625,000.

In the case of those who wish to share in supporting the Fund and may not yet have been solicited, Arthur P. Wyman, local chairman, has requested that they get in touch immediately with Arlington headquarters at his home, 54 Brantwood road, Arlington 2678.

Young Republicans to Meet Next Tuesday

An executive meeting of the officers and directors of the Young People's Republican club will be held at the home of Herbert O. Alderson, on Stevens terrace, next Tuesday evening. Mr. Alderson is president of the organization and it is understood that he has made extensive plans for a new membership drive as well as social activities for the coming year.

The question of obtaining permanent quarters will also be discussed as the year 1940 embraces national as well as state elections in which this club will take an active part.

St. John's Forum to Hold Dance Tonight

The NEWS OBSERVES

Last week we mentioned that one of our readers had sent his copy of the NEWS to a friend in New Zealand. Mrs. C. L. Fitch of 66 Freeman street was very much interested. She informs us that each Saturday she sends a copy of this newspaper to her daughter and son-in-law, Tech, Sgt. and Mrs. Irving A. Brackett in Honolulu, Hawaii where Sgt. Brackett is stationed for two years. Mrs. Fitch writes, "They look forward to receiving the NEWS, as it seems like a message from home." Mrs. Brackett is the former Dorice Fitch.

Much has been said about what must be done to start and to further a sound recovery of business and trade in the United States. Recently, twenty-two ranking economists expressed their opinions through the New York Sun. Here's the opinion of Prof. L. L. Watkins, of the department of economics at the University of Michigan:

"Sound recovery seems unlikely as long as organized raids continue on the Federal Treasury, and large sectors of the population refuse to recognize the essential dependence of a high level of incomes on a high level of production."

Representative H. Jerry Voorhis, member of the Dies Committee, will discuss the "Defense of Freedom" at the mid-winter meeting of the Massachusetts State Federation of Women's Clubs on Wednesday, Feb. 14, at the Hotel Bradford, Boston. At the morning session which begins at 10 o'clock, Governor Leverett Saltonstall will bring a message from the Commonwealth of Massachusetts.

Mrs. A. Warren Rutherford, chairman of the Arlington Red Cross, announces the opening of a Red Cross course in Home Hygiene and Care of the Sick, on Tuesday, February 6, at 2:00 p. m. in the Robbins Library. The class will meet once a week for twelve lessons from 2:00 to 4:00 p. m.

One of the classes in adult education, at the senior high school next Thursday evening, will be addressed by Rev. Laurence L. Barber, who will review briefly several of the most recent Lincoln books. He will conclude his lecture with a brief estimate of the qualities which have made Abraham Lincoln one of the world's greatest men.

The board of selectmen closed the warrants for the annual and the special town meetings, at its regular meeting held on Monday evening.

Arlington police are on the lookout for a man who accosted local children in at least two cases here this week. According to complaints made to officials, the man tried to induce small children to get into his car by offering them candy. The accosters drove a dirty black sedan, according to a description given the police. Parents should warn their children against accepting rides from strangers.

Unitarians Honor Rev. Mr. Mark on Birthday

Fifty-six members and guests of the Laymen's League met at the First Parish Unitarian Friday evening for the Laymen's winter banquet.

After a New England boiled dinner followed by Indian pudding, a messenger boy brought birthday greetings to Rev. John Nicol Mark in a unique manner by singing "Happy Birthday to You Dear Padre." The surprise was carried on by the appearance of a beautifully decorated birthday cake and packages to be opened—an English pipe, tobacco pouch and humidor of tobacco.

The Scotch pastor was then serenaded by a bagpipe solo "Far Across the Sea" by Frank Hendrie of the Kilwinning Club, who wore kilts and the "Royal Stuart" tartan. Later Miss Mary Anderson at the piano accompanied Miss Jessie Anderson and Peter Anderson while they sang to Mr. Mark "Blue Bells of Scotland" and "Crooked Bawbee."

Alexander MacNeil brought to Mr. Mark birthday greetings in the Scotch dialect and gave an impersonation of a Scotch salesman entitled "Silent Silly," and a reading "Wee Little Tin Whistle." This was followed by Miss Jessie Anderson singing two solos, "My Laddie" and "Love's a Merchant." This unusual treat was arranged by Thomas Bain, vice president of the Kilwinning Club.

President Robert H. Danskin presented Prof. Ernest Eastman Leavitt of Tufts College Engineering School who gave an interesting illustrated lecture "China Through Eyes of a Yankee."

The combination Laymen's League meeting and birthday party closed by all standing with crossed arms and clasped hands while singing "Auld Lang Syne."

Sagamore C. E. Union Rally Is Held Here

Last Sunday afternoon the Sagamore Union Junior Christian Endeavor rally was held in the Arlington Heights Baptist church. The Junior Christian Endeavor Society of the Arlington First Baptist church attended and won the first prize for the largest attendance. Of the 68 members of the Society 67 were present.

A very interesting program was planned by Miss Beatrix Weinhold, the Sagamore Junior superintendent. The speaker was Miss Myrtle Pierce who talked on the work at the West End Community House and four of the children from that institution sang. Essays were read on "Why I Like Christian Endeavor" and the following members of the First Baptist church won prizes:

Biancario Dweley, first; Betty Adams, second; Barbara Patterson, third; Marcia Barnard, fourth.

A Junior choir from the West Medford Baptist church sang several selections and seven boys and girls from the local First Baptist Society each read short Missionary poems.

At the close of the meeting flags bearing the Christian Endeavor emblem were given each child.

Local Legion Post Launches Plans for National Convention

Because the national convention of the American Legion will be held in Boston this year, the membership committee of the local American Legion Post under the guidance of Senior Vice Commander Tynan is bending every effort to enlist all eligible veterans in the town as members. All men who are eligible are asked to contact Comrade Tynan regarding new membership or reinitiation.

In anticipation of the part that the local Post will play in the national convention when it comes to Boston, Commander Magnus has appointed a committee consisting of the Past Commanders of the Post, headed by P. C. Timothy Buckley to draw up plans for participation in the program.

It is probable that arrangements similar to the last convention will be made when out-of-town Legionnaires will have as their host, the local post and be entertained on their visit to Boston. This plan worked out very successfully at the last convention.

MARRIAGE INTENTIONS

Intentions of marriage have been filed at the office of the town clerk by Albert Tucci of 818 Massachusetts avenue and Helen M. Manoli, of 17 Fairmont street; also by George W. Cole, of Somerville and Elsie M. DiGrezio, of 96 Dow St.

Evening Alliance Has Anniversary Meeting

The tenth anniversary of the Evening Alliance was celebrated at the January meeting held in the Unitarian church. A beautiful birthday cake, the gift of Mrs. Arthur J. Wellington was enjoyed by all the members. A gift of one year was also received from Mrs. Herbert Norris of Lexington.

Miss Lorna Grant, cellist, accompanied by Mrs. Edwin Allen, entertained after which Mrs. William S. Black, Red Cross nutritionist, gave an enlightening talk on nutrition.

Division 4 Ladies Auxiliary to the Ancient Order of Hibernians will sponsor a charity whist and bridge party next Monday evening in A. O. H. hall. The affair is open to the public.

Mrs. Margaret Callahan is general chairman. Division officers are requested to meet at 7.45 p. m. Mrs. B. A. O'Brien, president will conduct the business session.

AUBURN A. A. REUNION

The Auburn A. A., an athletic organization for many years in the city of Cambridge, will hold its 15th annual dance and reunion in Elks ballroom on Friday evening, Feb. 9. A large and energetic committee under the direction of Chick Petrella and Paul Griffin is being assisted by a great number of members of the various teams.

Scout Council's Annual Meeting

The 15th annual meeting and banquet of Sachem Council Inc., of the Boy Scouts of America was held Saturday, at the Old Belfry Club, Lexington.

At the business meeting in the afternoon these officers were re-elected: President, Dr. Walter T. Garfield of Belmont; vice presidents, George B. C. Rugg of Arlington and George M. Dimond of Bedford, scout commissioner George K. Saurwein of Belmont; and to fill the vacant, caused by the resignation of Russell P. Wise, Francis J. Carey of Watertown was elected treasurer.

Reports from the chairman of the various Council Committees and from Scout Executive Merrell showed that Scouting in the eight towns of the Council area was increasing year by year and that at the end of 1939 there were more Scouts, Cubs and Leaders enrolled than ever before and more and better Scouting activities, particularly camping, than the council has ever known.

Of particular interest was the fact brought out in the report of Erald L. Sawyer of Watertown, chairman of the personnel committee, that 200 adult leaders had enrolled in the training courses during the year and that 147 completed the required work and received certificates; a record few councils the size of Sachem have broken.

During the business meeting a vote of appreciation and thanks to Russell P. Wise for his work as treasurer for two years was passed.

The following new members were elected to the Executive Board of the Council:—Leslie Anderson of Concord; Henry C. Guernsey of Arlington; William S. Holdsworth of Watertown; Hollis B. MacDougall, Lexington; Daniel MacKay, Belmont; Raymond S. Morrill, Arlington; Joseph S. Newell, Lincoln; Thomas L. Sanborn, Concord; Leroy E. Sweeney, Waltham; Edwin C. Towne, Waltham; Lowell A. Warren, Waltham; Chester R. Whitman, Arlington.

After the business meeting the Scouts attended the discussion groups on Camping, Cubbing and Senior Scouting. Late in the afternoon movies were shown of Camp Sachem, Camp Oak and the Cub Palava by Scout Executive Jack Merrell and a trip down the Allegash River by David C. Hyde.

At 6.30 p. m. more than 200 Scouts and friends enjoyed a delicious dinner. President Garfield presided and the toastmaster was Eric L. Johnson of Watertown.

The program after the banquet was full of interesting features. The most important from a Scouting standpoint was the awarding of the Silver Beaver for distinguished service to boyhood by the National Council to Harold B. Dalton of Belmont, whose record in Scouting has been outstanding. The award was made by former President William H. Eckert, as chairman of the Silver Beaver Committee.

For twenty-five years service in Scouting, the Rev. Paul H. Chapman, pastor of the First Parish Church in Lexington and Cubmaster of Camp 76 was given a 25-year pin. The investing was done by First Vice President George B. C. Rugg.

Secretary Honored.
A third award, which brought forth particularly long and hearty applause from the Scouts was one made to Miss M. Agnes McGrath of the Council Office who had just completed 15 years of loyal and efficient service as office secretary. From National Headquarters Miss McGrath receive a letter of appreciation and congratulation and from the Scouts of Sachem a substantial gift cunningly hidden in the streamers of a large bouquet. The presentation was made by Harold B. Dalton.

President Garfield reviewed the achievements of the past year, and Don W. Moyer, Regional Scout Executive, brought greetings from the National Council.

The principal address of the evening was made by J. Harold Williams, Scout Executive, Narragansett Council, Providence, Rhode Island, who gave a stirring and inspiring address on the "U" in Scouting. Mr. Williams held the close attention of the assembly and delighted all by his oratorical power and by the sane and worthwhile thoughts he expressed.

The meeting ended with the Scout Oath led by Sea Scout William Meadows.

Looking Inside

(Ed.'s Note: The comments in this column are not to be considered as the editorial opinions of the NEWS.)

Jan. 31, 1940. According to the Town Budget requests the amount needed for Debt payments is \$22,000 less than last year and the requirement for interest on debt is \$6,000 less than last year. Now the question before the house is shall we save that \$28,000 or shall we look around for something else to spend it on? These two items would amount to about 45 cents as a reduction on your tax rate—if you save it and do not spend it elsewhere.

P. S. Speaking of the Town Debt, this year we pay off the last bond on the Junior High West original building built in 1920. We also pay off the bonds for the 1925 and the 1930 water extensions. The first was a fifteen year serial bond issue and the latter a ten year one. The Town Debt stood at \$521,000, the first of the year and will be \$416,000 at the end of this year as we must pay \$105,000 in 1940. This payment amounts to about \$1.80 of your Tax Rate.

LORING P. JORDAN, Register.
Ajan26,feb2-9

There's a popular belief, says
Lawrence P. Bliss, managing di-
rector of Bayburn Cleaners, that
moth damage occurs only in the
summer months. Perhaps the
fallacy has been created in the
recent years since the promotion
of summer storage of furs has
become so universal. Certainly,
before the days of modern heat-
ing systems, the approach of win-
ter so chilled the atmosphere
throughout most of the house
that moth life lay dormant until
warm spring days returned. Now
our homes are kept all winter
long at a temperature around 70
degrees F. — and so the moth
cycle eggs, larvae, pupae, flying
insect—goes merrily on winter
and summer alike.

Watch a cow grazing in the
field. So long as there is a suc-
cessful patch of green pasture, you'll
never see her feeding on dried,
burnt-out stalks. Moth larvae
feed on the natural oil, grease
and grime they find in woolen
fabrics. There are two ways to
meet the menace—starvation and
destruction.

The starvation method is sim-
ple. Do not put away a single
article of wool unless it is abso-
lutely clean. Cleaning removes
from moth larvae the "green pas-
tures" they seek. It is a fact
that moths do not attack a fresh-
ly-dry-cleaned garment—first, be-
cause it's "barren land," so to
speak, and secondly, because dry-
cleaning has left the fibre dis-
tasteful and unappetizing.

But see that every woolen ar-
ticle is clean. It is no use, for
example, to clean and mothproof
a chestierfield suite and leave the
rugs in a dirty condition. The
moths will simply ignore the fur-
niture upholstery and make a
feast of the rugs.

Drycleaning or laundering kills
both the moth eggs and larvae.
So, its cheaper to dryclean than
to buy new clothing. If you put
away garments in the bag in
which they come from the dry-
cleaner—or blankets just as they
are delivered home—be sure to
seal up bag or parcel so that
moths cannot creep in and lay
eggs.

Do not rely on your own am-
ateur efforts at "mothproofing."
To be effective, mothproofing
must be complete. The chemical
must penetrate the fabric as
thoroughly as a dye—and reach
every seam. Beware, too, of
fumigants. They are safe (and
efficient) only when used with
expert knowledge and skill.

A. H. S. Dramatic Club
In "House Beautiful"
At Town Hall Saturday

Drama lovers of Arlington are looking forward to the presentation on Saturday night of Channing Pollock's famous play, "The House Beautiful," by the Arlington High School dramatic club in the town hall.

"The House Beautiful" message is in the hands of two steadfast characters, Archie Davis and his wife, Jennifer, combating the age of materialism in which pleasures and possessions are won at the expense of the soul. The play's story is the story of their house, founded on sacrifice, love and honesty. The scenes, picturing periods and events in their lives, are projected by means of novel stagecraft. Their home beautiful ideals are menaced by threats of a zoning law sought by the progressive, authorizing unsightly business houses in their growing subdivision. Archie is elected mayor of the town and wins in this encounter, aided by his son's royalty, but is discharged by his employer, who has prospered through modern business ways.

The couple's happiness is further endangered by the son's marriage to a girl of superficial tastes. Archie becomes known as a failure because he has refused to prosper through dishonest methods. After his death, Jennifer keeps alive their ideals, with Archie's spirit lingering to afford her courage and companionship. She is ready to part with the house when the son plans to use its site as a memorial to his father.

Catherine Jacobs plays the part of Jennifer Davis, and her husband will be Stephen Keefe. Jean Mark plays Nina Baxter, a highly emotional sophisticated of the 1920's, while Terry Shuman finds an outlet for his abilities as a comedian in the part of Elbert Baxter, a real estate promoter. Dick Davis, the son, is portrayed by John Highland as a 10-year old boy in the early part of the play and by Wilmer Hyies as an adult later.

Other members of the cast are: Eugene Dagie as Dr. Drink; Guy Stanton played by Richard Schobor; Thomas Johnson as Sam Dreyer; Barbara Birch as Vivian Baxter; Julia Joanna as Martha Wiley and Anita LeBlanc as Hilda.

The play is being coached by Mrs. Helen F. Matthews and Miss Claire H. Johnson of the school faculty. It is produced by special arrangements with Samuel French.

Friends of Drama to
Present "Night Must
Fall" As Next Play

Next week Thursday, Friday and Saturday evenings the Friends of the Drama are bringing "Night Must Fall" by Elnyn Williams to the clubhouse stage with Ray Wallace, Ann Pickers and Betty Goodwin in the leading roles.

"Night Must Fall," which has thrilled thousands in L. on, New York and on the screen, will undoubtedly be a close contender for "the play of the year" as far as Arlington is concerned; consequently it is expected that the clubhouse on the corner of Academy and Maple streets will be picked full on all three evenings of the momentous production.

Others in the cast include Elnyn Allison, Gladys Stevens, Warren Gilmann and Bernardine Brook. John O. Matthews, a Lord Chief Justice of the British Court of Criminal Appeal, delivers the brief prologue. Parker Wood is directing the production and is also playing a minor role.

Mrs. Holman Addresses
Local Pension Group

The members of Arlington National Pension Group number 1 enjoyed the inspiring message given by Mrs. Ruth Holman of Reading at its last meeting in American Legion Hall.

Emile Marquis as a nominee for Delegate to the National Republican Convention from the 5th Congressional District explained at some length the strenuous work to be done by every citizen in the next few months. He is also Chairman of the 5th Congressional District Board of the National Pension Movement and reported many plans for meetings in various sections throughout the district.

Mrs. Jean Low sang a group of songs. W. L. Clough also sang accompanied by Robert P. Mower. Refreshments were served.

METROPOLITAN THEATRE.

"The Fighting 69th." Warner Brothers' sensational war drama that has broken all box office records at the Metropolitan Theatre during its first week's showing, will be held over for another week at the big M. & P. deluxe house, according to an announcement made by the management today. Also held for an extended run is the associate film, Jane Withers in "High School."

Church Services

Arlington Churches Welcome You

CHURCHES OF CHRIST,
SCIENTIST

"Love" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, February 4.

The Golden Text is: "The love of God is shed abroad in our hearts by the Holy Ghost which is given unto us" (Romans 5:5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "If a man say, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen? And this commandment have we from him, That he who loveth God love his brother also" (1 John 4:20, 21).

The Lesson-Sermon also includes the following from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or good, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science" (pp. 469, 470).

January Car Sales at Arlington Buick Co. Best in Twelve Years

According to Cliff Miller, manager of the Arlington Buick company, this well-known concern sold more used cars during January this year than in any corresponding January since their opening 12 years ago.
Not only were the used car sales, record-breaking but the new 1940 Buick sales were exceptionally high for the month. Mr. Miller claims that "Buick's The Buy" is more than a slogan; it's a fact that is reflected in volume sales during what is usually known as a slow period.
In spite of the many sales made in used cars the sale of new Buicks have brought in many good used cars which are advertised in this issue of the NEWS.
If you need good transportation, new or used, it will pay you to see the large display of cars at the Buick showroom and make your selection.

Commenting upon the budget requests, Mr. Washburn said: "The above list includes only the items of Departmental expenses and does not cover the special Articles of the Town Warrant except for the three last mentioned for extensions. What matters will be mentioned in the other Articles or how much more will be asked to appropriate is not now known."
"We do know that the difference of the two above totals is \$246,053 and represents if appropriated an increase in the Tax Rate of \$4.24 all else being equal. Our present Tax Rate of \$36.80 is too high now."

"We cannot afford this. With still more people losing their homes, with just as many out of work as ever we know that this is the wrong year to spend more money. We ask the Finance Committee to somehow cut these budget requests. We ask if this is a good year to raise salaries or expand services. We ask that every absolutely essential expenditure be taken care of but not one penny be spent that can be eliminated or deferred. We ask that the Citizens of Arlington contact their Finance Committee members and express their ideas on this subject to them."

Lieut. Higgins Weds Miss Ethel A. Williams of West Hempstead, L. I.
The wedding of Miss Ethel Williams, daughter of Mr. and Mrs. Robert Hamilton Williams of West Hempstead, L. I., to Lieut. Edward William Higgins of Arlington, took place at St. George's Episcopal Church, Hempstead, N. Y.
The bride wore an ermine colored dress of satin and 160 year old lace, with a princess train; her finger tip veil was held to a silver snood by a knot of orange blossoms. She carried a prayer book with white orchids and lilies of the valley.
Miss Janet Williams of Hempstead L. I., the maid of honor wore a picturesque chateau taffeta gown with hat, muffs and trimmings of de crepe myrtle. Bridesmaids were Miss Claire MacKrell of Brooklyn, N. Y.; Miss Virginia Leudemann of Hollis, N. Y.; and the bridegroom's sisters, Miss Barbara Higgins and Miss Ruth Higgins of Arlington. They wore gowns of crepe myrtle and dusty rose taffeta with shirred lodices and bustle effect waist coats—period at 1880, and carried bouquets of various shades of violets on their muffs.
Lieutenant George Rozwene of Northampton, Mass., was best man. Ushers included Lieutenant Paul Gorman, Lieutenant Randall Carpenter and Lieutenant Conroy of Mitchell Field, L. I. and Lieutenant Oliver S. Simela of Falmouth, Mass.
A reception was held, after the ceremony in the Georgian Room of the Garden City Hotel, Garden City, N. Y.
Mrs. Williams the bride's mother chose a dress of garment velvet and the bridegroom's mother wore ice blue lame. Both wore orchid corsage.
Among those present from Massachusetts were the groom's parents, Mr. and Mrs. Edward W. Higgins, Charles H. Higgins and Miss Caroline D. Higgins from Arlington; Everett Roberts, Lexington; Wentworth Quast, Natick; and Miss Rosa M. Banker, Springfield.
After a wedding trip to Stowe, Vt., the couple will make their home in Garden City, Long Island.
St. George's church, in which the ceremony took place, was granted its charter by Queen Anne in 1617. Its communion service was presented by the Green and is still in the country which still displays the English flag along with the American flag.

STORM WINDOWS FOR WINTER CONDITIONING

"Winter Conditioning" does more than merely cut down your fuel bill. It checks cold drafts and prevents fogging on windows. It is essential to satisfactory winter air conditioning with its higher healthful humidity. Cold glass surfaces condense the moisture carried by indoor air and thus cause fog, frost or even dripping water to form on the window panes. We want this moisture. It keeps us in better condition to resist colds and respiratory diseases but we do not want fogging or frost on windows nor water running over our window sills.

"Winter Conditioning" keeps the inner pane of glass comparatively warm even though the outer pane may be as cold as the outdoor air.
